

Spanish Camps at Ridgetop!

901 Ridge Top Road, Richmond, VA 23229

Hola Amigos!

Today, Spanish is the primary language in over 20 countries worldwide and it all started long ago in one place... **ESPAÑA (Spain)**.

Come immerse yourself in a week of Spanish Camp!

Through all kind of fun activities, the campers will discover the diverse geography, rich traditions, festivals, foods, games, music, art, literature, dances and sports of the Spanish World.

Mrs. Cristina Whitaker and Mrs. Maria Jenkins (both born and raised in Madrid, Spain) will be the directors of these one-week long camps and responsible for making sure the campers **HAVE LOTS OF FUN** learning and building basic and vocabulary skills through listening, reading and conversational exercises.

Known by many educators, early childhood exposure to other languages can have a tremendous impact on later languages acquisition and communication skills.
